### 3. Animals Entry into 4-H Online NOW LIVE!

The deadline for entering animals into 4-H Online is June 1<sup>st</sup> at 11:59 PM. A couple tips when uploading animals:

- Only input animals into 4-H Online once and only under one youth (if you are unsure which child is showing what, there is a “family sharing” option when you sign up for achievement days where all animals under your family will show up)
- The only paperwork needed to be uploaded to 4-H Online before June 1 is animal lease papers.
- YLL & YHL certifications will be marked by the county office once the training has been completed. No certificate is necessary.
- Registration Papers: Registration papers for any breeds will only need to be uploaded to FairEntry when registering for the State Fair. Otherwise they will need to be shown as Crossbred/Commercial

### 4. Brule Special Foods Registration Deadline, Friday, June 2
